--	--

WHEREAS Defendants Par Pharmaceutical Companies, Inc. and Par Pharmaceutical, Inc. (collectively, “Par”) have sought discovery relating to the receipt of Average Manufacturer Price (“AMP”) data by the New York EPIC Program for the Par drugs at issue in these actions (hereinafter “*City of New York, et al. v. Abbott Labs., Inc., et al.* (MDL 1456)”), as listed in Revised Exhibit B to Plaintiffs’ First Amended Consolidated Complaint; and

WHEREAS the New York EPIC Program has stated that producing the requested discovery would be unduly burdensome;

WHEREFORE Par and Plaintiffs, by their respective attorneys, hereby stipulate and agree, for the purposes of these cases only, as follows:

The New York EPIC Program has received Average Manufacturer Prices (“AMPs”) from certain prescription drug manufacturers, including defendants in the case styled *City of New York, et al. v. Abbott Labs., Inc., et al.* (MDL 1456). The EPIC Rebate Agreement instructs manufacturers to certify “that Average Manufacturer Price (AMP), Best Price and Baseline AMP data reported to EPIC are identical to the data reported to the Centers for Medicare and Medicaid Services under Section 1927 of the Federal Social Security Act, if the Manufacturer is required to report such data to the Centers for Medicare and Medicaid Services.” Plaintiffs hereby stipulate and agree that Par Pharmaceutical, Inc. reported AMP prices to EPIC on a quarterly basis beginning in the year identified and for the NDCs identified in Exhibit A attached hereto. This stipulation is solely for the purpose of identifying those NDCs for which AMP prices were provided to EPIC for the time periods specified in Exhibit A, and it

does not constitute an admission by any party that the NDCs identified in Exhibit A are properly at issue in this litigation or otherwise properly attributed to the listed defendant manufacturer.

Respectfully submitted,

City of New York and New York Counties in
MDL 1456 except Nassau and Orange

Par Pharmaceutical Companies, Inc. and Par
Pharmaceutical, Inc.
